To Whom It May Concern

I am extremely pleased to write this letter of recommendation for Maren Patterson. Maren has worked for me for over year and has proven to be an essential part of my staff.

During the year that Maren has worked for me. I have observe his interpersonal style, he is a pleasant individual who believes in being extremely professional. His ability to maintain a calm and patience demeanor helped communication between staff and students.

Maren is reliable, dedicated and organized he always accomplish his work. When presented with a task if he didn't have and answer or a way to do it he found it.

Maren computer skills in office applications such as Word, Excel made him proficient and productive. Other added skills he brought to the table was his proficiency in the Adobe Suite applications where he was able complete various projects creating student ID's, diploma's etc.

While Maren leaving our schools to pursue other opportunities is a loss to us, he has my highest recommendation and I would be happy to furnish more details if you would wish additional information.

Sincerely
